

CLINKIT STORE PARTNER TERMS (Optional Deals Program)

DRAFT — ATTORNEY REVIEW REQUIRED. For local stores that opt in to publish deals or connect POS inventory (Briskly/Square). Participation is free and optional — ZipNab Runners shop retail at any store regardless of participation.

- 1. Program.** Store may (a) claim its ZipNab profile, (b) publish deals/promotions, and (c) connect a POS/inventory feed so ZipNab displays live prices and stock with `confidence: 1.0` ("Verified Partner" badge).
- 2. No purchase agency; no resale by ZipNab.** Runners purchase at Store's posted retail prices as ordinary retail customers on behalf of buyers. ZipNab takes no title to goods, charges Store nothing, and owes Store nothing except accurate display of Store-provided data. Store's own terms of sale, returns, and receipts govern the retail transaction.
- 3. Store data license.** Store grants ZipNab a non-exclusive, revocable license to display Store's name, location, logo, prices, stock, and deals in the ZipNab apps. Store warrants its feed is accurate and lawful (e.g., no MAP violations, no restricted-item promotions). ZipNab displays freshness timestamps and is not liable for Store feed errors, but will correct or remove data on notice within 24 hours.
- 4. Deals.** Store controls deal content, timing, and inventory limits; deals are honored at the register by Store (ZipNab does not fund them unless separately agreed in writing). Deals must comply with pricing/advertising law.
- 5. Data back to Store.** ZipNab may share aggregated, de-identified demand data (top-searched items, fulfillment rates) with Store. No buyer personal information is shared.
- 6. Term.** Either party may terminate at any time with notice; on termination ZipNab removes the badge, feed, and deals within 48 hours (cached prices may persist up to the stated cache TTL).
- 7. Liability.** Each party bears its own; neither is liable to the other for indirect damages; ZipNab's aggregate liability under these terms is capped at \$500 (the program is free). California law; San Joaquin County venue; individual arbitration mirror of Buyer ToS §9.
